A collage of various furniture hardware components. At the top left is a metal wire basket. Next to it is a QR code with a small circular logo in the center. To the right of the QR code are two long, silver-colored metal drawer slides. Below the QR code is a metal mesh component with a central locking mechanism. To the right of the mesh is a white cabinet door with a silver-colored hinge. Below the mesh is a set of black and silver hardware components, including a black plate, a silver plate, and several screws. To the right of these is a set of four green and black components, possibly door pulls or hinges. Below these is a large, silver-colored metal hinge. To the right of the large hinge is a silver-colored metal hinge. At the bottom left is a brass-colored metal hinge. At the bottom center is a silver-colored metal hinge. At the bottom right is a silver-colored metal hinge. The COSSLA logo is prominently displayed in the center-right of the collage.
